# THE POWER OF BALANCE

## INTRODUCING ROYAL CANIN® CYNOTECHNIQUE™

Our ingredient for performance is balance.

New Royal Canin® Cynotechnique™ dog foods contain uniquely balanced levels of protein and fat which effectively help your dog attain the best health and performance possible. That's "The Power of Balance."

For every Cynotechnique formulation, the fat content is carefully chosen first. The amount is more than sufficient for palatability and coat quality, but is not excessive. Once the fat level is established, protein and other essential nutrients are then proportionately balanced.

Royal Canin believe most super-premium foods have too much fat, but don't confuse Cynotechnique with low-fat "lite" dog foods which have less protein, too. Cynotechnique foods provide abundant protein, vitamins, and

minerals, relative to fat.

The nine Cynotechnique products are formulated to uniquely meet particular protein and fat requirements at all stages of life or activity. Only veterinarians and professional pet food suppliers carry Cynotechnique, so ask them which is best for your needs.

Help your dog achieve top performance, while helping it stay lean and lively. Feed Royal Canin Cynotechnique, and see the Power of Balance at work.

To find a Cynotechnique supplier near you, call 1-800-592-6687.

*From The Editor*

A topic of grave concern for all dog fanciers - Pom to Pointer, Shih Tzu to St. Bernard, Dandy Dinmont to Doberman - is that of vicious dog legislation, how it will affect us, and what AKC is doing about it.

Recently in my area there have been four unprovoked attacks on humans by dogs - one resulting in death, the others in grave injury. It is my contention that the problem is not the dogs any more than it is the owners. Those of us who spend time, effort, and vast sums of money for the safety of our dogs and in the breeding of correctly-tempered dogs must keep a watchful eye

on legislative developments. Without input from responsible fanciers, legislators have no idea what we do, why we are doing it, and how we - the dog fancy - safeguard against incidents of this nature. It's not our dogs, we say - but any legal sanctions, breed-specific laws, insurance requirements - will certainly influence the way we live and the way we raise our dogs. Let me know what's going on in your area.

To keep you posted as to AKC's stand on the issue, a recent letter from president **Ken Marden** appears below. Until next month - all the best! **JMcG**

August 28, 1989

KENNETH A. MARDEN  
PRESIDENT

TO: ALL AKC CLUB PRESIDENTS, SECRETARIES AND DELEGATES

Recently, I appeared as an expert witness in a hearing contesting the Dade County, Florida "pit bull" law, which uses two AKC breed standards to identify "pit bulls". At that same hearing, an animal control officer charged with enforcing the county's new breed-specific ordinance testified he could identify a "pit bull" by its "medium hair and brick-shaped, flat skull."

Imagine the potential harm that someone like this can cause responsible dog owners whose dogs happen to have "medium hair and a brick-shaped, flat skull!"

We have made significant strides in fighting breed-specific legislation over the last three years. Thanks to the help of individual activists and clubs, 195 would-be breed-specific laws have been averted and good generic dangerous dog laws have been passed in their place.

But 106 municipalities have passed breed-specific laws. Usually, these could have been averted if someone had educated the legislators. Unfortunately, in some instances even the most well-educated politicians have opted for a breed-specific law.

For this reason, the American Kennel Club is taking a two-pronged approach to this continuing problem. First, we are stepping up our efforts to encourage every state to pass legislation that would include prohibition of breed-specific ordinances. Second, we have renewed our commitment to the Canine Defense Fund for \$50,000 in matching fund donations.

Here's how you and your club can help. If there is a federation of dog clubs and fanciers in your state, join. If there isn't one, we will help you start one. Remember, in unity there is strength. For more information, contact the Office of Public Affairs, The American Kennel Club, 51 Madison Avenue, New York, NY 10010.

I also urge you to contribute to the Canine Defense Fund. Your dollars will go twice as far with a matching contribution from AKC. Checks should be made payable and sent to the ADOA Canine Defense Fund, 1654 Columbia Turnpike, Castleton, NY 12033.

This is not only a "pit bull" problem...next week your breed may be included in the "inherently vicious" category.

Sincerely,

*Kenneth A. Marden*

# UPDATE

## ★ TOP TEN EXHIBITORS ★

### ★ JANUARY-AUGUST 1989 ★

Welcome to **UPDATE**, your monthly rating list of breeders and exhibitors out there winning points in the show ring. As most all serious Pomeranians fanciers are, in one way or another, involved in campaigning their Poms for AKC Championship points, we feel that it is important to keep tabs on this area. The procedures for tallying the point scale are as follows: Exhibitors are credited with all AKC Championship points won in the calendar year, as published in the **AKC Show, Obedience, and Field Trials Awards Book**. *Only this publications will be used for point credit.* Many times the actual show dates will vary from the date of publication (i.e., a September show may not

be published until November). The Gazette's calendar year runs from about October of the previous year until September of the present calendar year.

Points are allotted to the REGISTERED OWNER OF THE DOG ON THE DAY OF COMPETITION. **Statistician: Susan Wade.** Any questions concerning **UPDATE** may be addressed to the editor.

The following is the LISTING OF THE TOP TEN EXHIBITORS AS OF THE JANUARY-AUGUST 1989 AKC GAZETTE.

## MNM'S POMS-R-US HAS DISCOVERED GOLD IN CALIFORNIA! SUN RAY'S GOLD STRIKE

We really struck it rich this time, through the kindness of **Jonathon Cao** of *Key Largo Poms*. How can we ever repay you for allowing us to have **STRIKER**? We owe you a million thanks!!! Watch for Jonathon to do big things in the Pom world.

Alchemists throughout the ages have sought the formula to produce **GOLD** — **Fern Rodrigues** of the fabulous **SUN RAY** line is now in possession of this much sought after formula!! **STRIKER** is a product of this procedure which exhibits itself everytime Fern engages in her meticulous breeding program.

**STRIKER** will make his AKC debut in the near future, so be prepared. If you have never had a case of **Gold Fever**, watch out. It hits unexpectedly and before you know it...

there is help."

## AN OPEN LETTER TO DOG FANCIERS

It's hard to believe that one year ago, *The Robin F. Hernandez Memorial Center (Hernandez House)* opened its doors. What was once a dream is now a reality, due in great measure to the support of dog fanciers.

Hernandez House provides a homelike setting in which support services are provided to people with AIDS and their loved ones, in an atmosphere of dignity and respect. During our first year over 5,000 men, women and children affected directly or indirectly by AIDS have come through our doors for help. Thankfully, we have been here to offer services such as the AIDS Mastery Workshop (committed to enhancing the quality of life for people affected with AIDS), the Children's AIDS Care program (providing children's necessities and family support), our Drop-In Center (services include meals, nutritional guidance, and counseling), and our newest program, PAWS (Pets Are Wonderful Support). During crisis periods, PAWS "adopts" and cares for the pets of those stricken with AIDS; sadly we sometimes have to find new homes for these old friends. Our programs are administered by three paid staffers and our volunteer base numbers in the hundreds. This is the heart and soul of Hernandez House.

The demand for our services increases daily, as do the number of men, women and children affected by AIDS. This has brought us to a crisis stage in our development. In order to be effective, maintain our visibility and provide the services which the community has come to expect, we need immediate financing.

We deeply appreciate the support of dog fanciers to date, both collectively and individually. Some of your judges have been generous enough to donate their fees to Hernandez House. Others have forwarded prize money to us. Some kennel clubs are regular donors. These contributions are vital to us - we could not survive without them.

Hernandez House stands as a symbol of what one group of people who care can accomplish. We need your help more than ever now. Thank you for your continued support and interest in Hernandez House.

Yours sincerely,

**Cristofer Shihar**, Director, Hernandez House

---

**Dear Pom Readers:**

DON'T YOU JUST GET SICK OF HEARING, RULES THIS AND RULES THAT? TO SIMPLIFY THINGS, I HAVE ENCLOSED APPROPRIATE RULES THAT SHOULD CERTAINLY GET TODAY'S SOCIETY ON THE RIGHT TRACK!

- 1) THE FEMALE ALWAYS MAKES THE RULES.
- 2) THE RULES ARE SUBJECT TO CHANGE AT ANY TIME WITHOUT PRIOR NOTIFICATION.
- 3) NO MALE CAN POSSIBLY KNOW ALL THE RULES.
- 4) IF THE FEMALE SUSPECTS THE MALE KNOWS ALL THE RULES, SHE MUST IMMEDIATELY CHANGE SOME OR ALL OF THE RULES.
- 5) THE FEMALE IS NEVER WRONG.
- 6) IF THE FEMALE IS WRONG, IT IS BECAUSE OF A FLAGRANT MISUNDERSTANDING WHICH WAS A DIRECT RESULT OF SOMETHING THE MALE DID OR SAID WRONG.
- 7) IF RULE 6 APPLIES, THE MALE MUST APOLOGIZE IMMEDIATELY FOR CAUSING THIS MISUNDERSTANDING.
- 8) THE FEMALE CAN CHANGE HER MIND AT ANY GIVEN POINT IN TIME.
- 9) THE MALE MUST NEVER CHANGE HIS MIND WITHOUT EXPRESS WRITTEN CONSENT FROM THE FEMALE.
- 10) THE FEMALE HAS EVERY RIGHT TO BE ANGRY OR UPSET AT ANY TIME.
- 11) THE MALE MUST REMAIN CALM AT ALL TIMES, UNLESS THE FEMALE WANTS HIM TO BE ANGRY OR UPSET.
- 12) THE FEMALE MUST UNDER NO CIRCUMSTANCES LET THE MALE KNOW WHETHER OR NOT SHE WANTS HIM TO BE ANGRY OR UPSET.
- 13) ANY ATTEMPT TO DOCUMENT THESE RULES COULD RESULT IN BODILY HARM.
- 14) IF THE FEMALE HAS PMS, ALL RULES ARE NULL AND VOID.

THERE...NOW THAT I HAVE THE WORLD ALL STRAIGHTENED OUT, I AM GOING TO TAKE MY NAP.

## LAMENT OF A LADY WHO'S GONE TO THE DOGS

*Author Unknown*

There was a time there, really was  
when I was sweet and tender;  
When show dog meant a Disney star  
and bitch was not a gender.

I went to bed at half-past ten;  
I went to church on Sunday;  
On Saturday I cleaned the house;  
and did the wash on Monday.

But then I got a certain Pup;  
an erstwhile friend said "Show!"  
And so I did and so I do  
Oh! What I didn't know!

I was always taught to be well-groomed;  
No matter where I went.  
Now all the grooming that I do  
is in the handler's tent.

I used to dress with style and flair  
Klein, Gucci, Blass. Don't knock it.  
But now each dress from bed to ball  
must have a good bait pocket.

I used to have a certain air  
I wallowed in perfume.  
Once I smelled of Giorgio  
now just of Mr. Groom.

I used to long for furs & jewels  
and a figure classed as super;  
Now the thing I year for most's  
a brand new pooper scooper

My furniture was haute decor,  
My pet a tank of guppies.

Now my furniture's unstuffed, but  
I've got well-adjusted puppies.

I adored a man who murmured verse  
through intimate little dinners;  
But now the words I thrill to hear  
are "Maam, you're Best of Winners"

I rise at dawn and park the car  
the road ahead's a long one.  
The one I routed on the map  
invariably's the wrong one.

I really love the doggy life;  
I wouldn't care to change it.

But when I win my Best in Show  
I plan to rearrange it.

And when my time on earth is through  
I'll go without much nudging -  
Just give me three weeks' closing date  
And let me know who's judging.
